

“How to WiFi”

Ripon College has two separate WiFi network environments. While in the residence halls, orientation students and their guests should connect to the **SummerGuest-Wifi** network. In all other buildings and spaces around campus, please connect to **RC_Guest**. Instructions for connecting to both are below.

Orientation/Guest WiFi (Residence Halls ONLY)

1. Summer camp/guests should connect to the **SummerGuest-WiFi** network.
2. Upon connecting to the SummerGuest-WiFi network, users will be directed to enter a passcode key.
3. The passcode is **summer2022** (all lower case)

Orientation/Guest WiFi (Willmore Center and all Academic/Admistrative Buildings)

1. Look for available WiFi networks on your device and connect to the RC_Guest network.

2. Upon connecting, you will be prompted to agree to our Acceptable Use Policy. You should only have to accept these terms once during your stay.
