One-Fund Proposal to Student Senate of Ripon College
Proposal made by: Interfraternity Council

Contact Information:

Boyd Peterson is the contact for this proposal. You can contact Boyd via email at Petersonb@ripon.edu. IFC is an organization of representatives from each of the all male fraternal organizations on campus. IFC is responsible for the planning and implementation of many different events throughout the year. This would be the 4th year the pig roast will happen. We would like to bring it back since it did not happen last year.

Pig Roast Overview:

This year IFC will be holding a pig roast as of now on September 2nd. The event will be open to all first years, transfers, and Greek students. Attendance is expected to be around 350 people based off of previous years. We are asking for \$3,850 to cover all the costs entailed with this event. This is a high and rough estimate. This is not the actual official cost. We should know the official cost by the time this proposal is voted upon.

Outcomes:

The goal of this event is to have more association between Greek groups and the college community. It is also a way that members of different Greek groups can come together and create a friendlier environment for all Ripon College students.

Budget:

After speaking with Doug Warpinski, he gave us an estimate for what it will cost to get food and supplies for the event. This is not the official cost. This is just an estimate as of this moment.

Total for the pig roast: \$3850

Expected number of attendance: 350

Running Cost per person: \$11 a person

Menu Items:

Veggie Baked beans

Pig Roast

BBQ sauce

Macaroni Salad

Veggies and Dip

Watermelon

Brownies

Lemonade

Ice Water
Whole corn

Thank you for your consideration for this \$3,850 request
