 - Passed in the eyes of the speaker
- b. Disbandment of Boxing Club

- The club gave consent for it to be disbanded.
- Passed
- c. Judiciary Board Overhaul
 - Presentation (Dean Ogle):
 - The J board helps resolve certain conflicts
 - Zach and I would like to change the structure of the board.
 - The way it is currently is there are 11 permanent members and 2 at large members.
 - It has been hard to get these 13 people plus the people who are involved in the situation to meet at the same time.
 - The new structure would be 5 permanent members and 2 at large members, reducing the overall numbers to 7, making it easier for us to meet.
 - The Vice President which didn't have much of a role earlier would take up the duties of secretary as well.
 - Discussion: Last year there were about 10-13 possible situations that could have been resolved through the J Board, but none were brought to them
 - Passed in the eyes of the speaker

Ripon College Fencing Club One Fund Request

Dear, Student Senate,

Today, the Ripon College Fencing Club is asking for \$1240.00 in order to purchase new fencing equipment. The Fencing Club has not purchased new equipment in at least 4-5 years, and most of the equipment we have/use is in drastic need of replacement. Currently most of the students of the class cannot all fence at the same time due to equipment limitations, and most of our foils (a type of fencing blade) have degraded to an extent that they are difficult and/or painful to use. We also have lost/used through most of our left-handed equipment, so left-handed equipment is also currently needed. Finally, we need fencing tips because most of our swords no longer have them, and it is dangerous to fence without tips.

Any purchased pieces of equipment will be used by both the club and the fencing class that is taught on campus.

Here are the estimated fencing equipment costs:

Items	Quantity	Price per Item	Total
Jackets*	6	~\$65	\$390
Gloves*	6	~\$20	\$120
Foils*	11	~\$35	\$385
Rubber Tips(x10)	3	~\$5	\$15
Masks	6	~\$55	\$330
Sabres	2	~\$40	\$80

Grand Total: \$1320.00

*Left and right handed variants don't vary drastically in price if at all in some stores

We apologize for the large price of this One Fund, but if passed, the Fencing Club will hopefully not need to purchase new equipment for a good amount of time.

Thank you all for your consideration,
Seth McDonald,
Ripon College Fencing Club President
