- I. Call to Order
 - a. 6:30pm
- II. Approval of Old Minutes
 - a. Senator Van Der Leest
 - i. Senator Lindsey
- III. Committee Reports
 - a. Secretary Allen: Just sign in.
 - b. Treasurer Mikesell: Hello everyone! It's good to be back, let's have a good semester! The one fund stands at \$35,867.16
 - c. Vice President Davidson: No report.
 - d. President Kiessling: We have all kinds of thank notes from Alpha Psi Omega about the one fund we supported for them. We are looking for someone to serve on the faculty committee, they meet Monday from 10 to 11, every single Monday. So if you are interested or one of your constituents its interested, please email me as soon as possible.
 - e. Dean Ogle: That particular committee is called Academic Standards, that's a group that will sometimes look at the policies of the college, if there are some students whose backgrounds are right on the borderline, their backgrounds are brought to the committee and decided whether they are going to be admitted to the college or not. It's kind of a neat committee and we've had good students on in the past, and the student that was one there went on an off-campus program. So they are interested in finding somebody, and soon, because they meet regularly with lots of business.
 - f. What's Up With Your Group?
 - g. One Fund Talk Back
 - i. APO: We had a really good trip, we actually had one student, Amanda Finn, who won the competition she was participating in, so out of the entire region she competed with several other students, and she was selected to go on and compete at nationals. We also had another student who is participating in the stage management competition and she made it to the finals, along with a couple other students who were getting their masters, which was pretty cool. The rest of us were able to go to a lot of the workshops and go see some shows. She really hope to show some of the things we learned. We were also able to save a little bit of money, so we are returning some.
 - ii. Hablamos: I'm here to talk about Las Posadas, the event went great, 152 people attended and the community was really happy and we are excited for it again next year.
 - h. Student Activities Report
 - i. Miscellaneous Committees
- IV. Old Business
 - a. Ripon College Book Club Intent to Organize

 1. Senator Lindsey: Move to second the motion.
 - iii. President Kiessling: When do you guys plan on meeting? Did you set a date already?

 - i. I just wanted to point out we dropped the prices from last time, we eliminated food, and we made our own personal contributions. I also wanted to point out, since the last time we one funded, we are also going to be uping our personal contributions because hotel costs have risen significantly in D.C.

 - i. The Ripon College Libertarians are merging with a national organization called Young Americans for Liberty; it's a not partisan group. All the revisions are just changing the name on the constitution and in the purpose we slightly amended that, that is because we are no longer specifically Libertarian group. If you have any questions, please feel free to ask!

- a. Dean Ogle: I would just like to remind everybody that senate voted to approve funding for part of the Martin Luther King celebration, their keynote speaker starts in 15 minutes at Great Hall.
