 - i. President VanSteenbergen: You all have the order of presentations. We have clumped the \$100 budgets together. Intent is to pass them collectively.
 - ii. Senator Honaker: Does the motion to approve bring the entire budget to the table?
 - iii. President VanSteenbergen: It would bring the entire budget to the table and the senate would have to pull out certain budgets as they see fit.
 - iv. Senator Maginnis: Change the order as presented to move rrrumba first.
 - v. President VanSteenbergen: He asked to go last.
 - vi. Senator Maginnis: Remove proposal.
 - vii. Senator L. Honaker: Move to divide the issues to vote on one hundred dollar budgets and vote on the remaining budgets in order.
 - viii. Senator Maginnis: Seconded.
 - ix. President VanSteenbergen: Motions passes 20:1:0. Now move to discussion on 100 dollar budgets clumped together.
 - x. President VanSteenbergen: Is there any discussion?
 - xi. Senator Enright: Is CRU still in the \$100 budgets since they requested \$600?
 - xii. Vice President Ruedinger: They are in the \$100 category because traditionally first year groups are.
 - xiii. Senator Maginnis: Would you (CRU) like to debate the issue or would you like to stay at \$100.
 - xiv. CRU: Would I be put in last then if I moved to raise our budget to \$500.
 - xv. President Vansteebergen: Yes.

- xvi. CRU: Then we will stay at \$100.
- xvii. President VanSteenbergen: Any questions about the 100 dollar budgets? Seeing none move to vote.
- xviii. Passes 21:0:0.
- xix. MMA
 - 1. Senator L. Honaker: Move to Approve.
 - a. Senator Maginnis: Move to Second the Motion.
 - 2. We have a \$180 dollar budget everything is mentioned. Equipment is the biggest issue and some gear will need to be replaced. Other than that everything is self explanatory and on campus meetings are for water.
 - 3. Senator J. Honaker: Why did you eliminate your miscellaneous category?
 - 4. MMA: Miscellaneous was used for equipment and we just reallocated it.
 - 5. Vote 21:1:0
- xx. ROC
 - 1. President VanSteenbergen: Is there any one here to present on roc?
 - 2. ROC: As you can see we decreased travel and amount of trips. We increased meal and registration as Devil's lake and Granite Peak have higher fees than they used to so money was shifted to cover for inflation.
 - 3. Senator L. Honaker: Move to approve.
 - a. Senator Fischer: Move to second the motion.
 - 4. Senator L. Honaker: What is the attendance for each event?
 - 5. ROC: Devil's Lake we had 12 people, our ski trip we had 1, 1 and rock climbing we had 12 people.
 - 6. Senator L. Honaker: The reason you haven't included lodging?
 - 7. ROC: Wasn't included because we haven't one funded twice.

 - 9. ROC: We usually put 15 people down then people drop out.
 - 10. Passes 20:1:0.
- xxi. CDC
 - 1. Senator L. Honaker: Why do they list on campus meetings as \$50? Why could that not be drawn from Miscellaneous?

 - 2. Senator Maginnis: Move to approve.
 - a. Senator Fischer: Move to second the motion.
 - 3. Senator Maginnis: Why have requested \$150 for honoraria?
 - 4. CCF: For guest speakers. We have brought in speakers in the past, including different pastors. We also co-sponsor events with SARC and plan to help other groups.
 - 5. Senator L. Honaker: Why are there two separate categories for registration fees and dues and membership?
 - 6. CCF: Registration fees are \$400 toward spring break trips which we didn't use this spring and also fall retreat would cost \$400 toward camping and campsite dues, finally, membership goes towards different organizations.

1. Large increase was because the previous leadership didn't have a correct budget. We had registration fees one funded for past 3 years for \$1300 just for men and now we have a women's team.  5. Senator L. Honaker: Why was registration fees slashed?
 6. Vice President Ruedinger: As the speaker noted they've only one-funded for \$1300 for the past few years. They would need to one fund again for the women's team.
